Truly second-generation technology from **IDEXX** that revolutionizes **BSE testing**

USDA-approved
EU-approved

IDEXX HerdChek*
BSE Antigen Test Kit, EIA

Robust microtiter
plate format

Run manually or
automatically

- **Unmatched ease-of-use and efficiency—**
the only kit that **eliminates** problematic **proteinase K** sample preparation
- **High throughput—**
high throughput sample preparation and assay without complex automation
- **Reliable performance—**
high sensitivity and specificity

The future of rapid BSE testing is here.
